Meet the Candidates

Pete Schaffer - Supervisor C

I was born and raised on a dairy farm with six siblings outside of Hastings, MN. I started working construction in high school through 1/2 day work release program and have been working in the field ever since. Married to my wife Joyce for over 23 years with 8 children and 2 grandchildren. My hobbies/interests include coaching youth sports, working, farming, church and family.

I currently serve on the Castle Rock Township Board and Planning Commission and previously served on the Castle Rock Township Board, Vermillion River Watershed Planning Commission, North Cannon River Watershed/Chub Creek Advisory Representative and Vermillion River Watershed Representative. I will ensure taxpayer money is spent wisely/conservatively to keep our Castle Rock property taxes low. I will treat all residents equally with any concerns/issues that may arise. I would appreciate your vote and the opportunity to serve our community.

Jon Juenke—Supervisor D

I have lived in the Castle Rock/Empire Township area all of my life. I currently serve on the Castle Rock Township Board of Supervisors and the Emmanuel Cemetery Board. I strongly believe it is the duty of the Board of Supervisors to listen and act on the residents' concerns and their various permit needs, which I have done and will continue to do if voted in for another term. I served previously on the Castle Rock Planning Commission which also helps me as a Township Board member make the correct decisions to help our residents and our township. I would appreciate your vote in the upcoming election. Thank you.

Donald Webb—Supervisor D

I have lived in Castle Rock Township for over 27 years. I have raised my children here in this wonderful community. I have volunteered at school for various activities through the years. This has allowed me to get to know many great people and I would love to be of service to them. I look forward to the chance to work with the township on building a brighter future for the township.

Sandra Weber—Supervisor E

My goal is to make Castle Rock a better place for everyone to live, keeping taxes low, and stay within budget. I go to trainings offered by the Minnesota Association of Townships. I am also a representative to the North Cannon River Watershed and the Cannon River Watershed Joint Powers Board. I first joined Castle Rock Township as a Planning Commission member, for 1 year to learn about the township. I have been a Supervisor for 6 years.

I grew up on a dairy farm, so I understand the preservation of agriculture and have worked to preserve it. I am married, for 50 years to my husband, Bernie. I have 2 children and 3 grandchildren. I went back to get my 4-year college degree and graduated from St. Mary's University in 2008. I'm a Dakota County Fair Board Director and a volunteer at Dakota City.

**Polls for the Township Election will be open from 10am to 8pm on
March 9, 2021, followed by the Annual Township Meeting at 8:30 pm.**
