Ken Betzold  
David Mumm  
Jim Ozmun

*Official notices are published in the Farmington Independent and the Cannon Falls Beacon. They are posted at the Town Hall, Farmers Mill & Elevator, and the Castle Rock Banks in Farmington and Castle Rock.*

**Jon W. Juenke - Supervisor D**

I am a lifelong resident of the Castle Rock/Empire Township area. Three years ago I was asked to run for the Board of Supervisors by some residents of Castle Rock Township. They communicated to me that they wanted someone to serve who would be open to changes in our township. I was elected. In the three years since, we as a Board have made changes that I feel have been for the good of our residents. I strongly believe that the Board is here to represent our residents by listening and acting upon their concerns and various permit needs. In addition to the Board, I previously served on the Planning Commission and serve on the Emmanuel Cemetery Board. I would like to continue to serve the Township residents and be their voice with all of the needs, concerns and any issues that arise. I would appreciate your vote.

**Michael M. Kiefer - Supervisor D**

I have a Ph.D. in psychology, am an author, and the president of Powermind Systems Inc. I am an adjunct professor at 9 colleges and a consultant for dozens of state agencies, law enforcement & military groups, and corporations throughout Minnesota. I have lived in the township for over 25 years. You can be assured I will be an ethical board member, treating everyone fairly, with no financial interests or family favoritism. In the past, I served on the board for three years. I believe when you take the oath of office that it means you should serve the people that elected you, not rule over them. The township is small and can easily have its land and landowners abused by public works projects, such as the CAPX 2020 power lines and MinnCan oil pipeline. No one seems to care until a project is proposed on their land and it gets taken or devalued. If elected I will speak up and fight for your rights to protect your land.

**Sandra Weber - Supervisor E**

I grew up in southwest Minnesota on a dairy farm. I earned a Bachelor of Science degree in Human Resources Management from St. Mary's University in 2008. I have been a Castle Rock Board Supervisor for the past six years, and prior to that served on the Planning Commission. I am the township representative on both the North Cannon River and Vermillion River Watersheds. I have taken MN Assn of Township Short Courses and other township and informational meetings where issues affecting our citizens are discussed. I will work within the township budget to keep Castle Rock taxes low. Have been an election judge for 30+ years. I am an active volunteer guide at Dakota City Heritage Village.

**Polls will be open from 10 am to 8 pm on March 13, 2018, followed by the Annual Township Meeting at 8:30 pm.**

For Absentee Ballot Information, please see the Township website:

**2018 Comprehensive Plan Update**

Over the past year, Castle Rock Township has been in the process of preparing the required Comprehensive Plan update. The township is again participating in a Collaborative with other local townships in order to keep the cost down. Town Planner, Dean Johnson, in conjunction with Bolton & Menk, have been working with the Board of Supervisors and the Planning Commission as these updates have been prepared. There will be a Public Hearing to discuss the final draft of the updated Plan at 6:30 pm on Monday, March 26 at the Town Hall, 2537 240th St W, Farmington, MN.
