

Castle Rock Township

Since 1858

Dakota County, Minnesota

2537 240th Street West, Farmington, MN 55024 castlerocktownship.com

OVER THE COUNTER PERMIT

Over the Counter Permits are generally given for the following projects:

- Roofing
- Siding
- Window Replacement (same size)
- Door Replacement (same size)
- Plumbing
- Mechanical
- Furnace/Air Conditioner
- Water Heater
- Fireplace

1. Each project listed above will need it's own permit
2. Use the Building Permit Application and select the correct Type of Construction
3. Contact Township Clerk or Building Official to process the permit

- ❖ All materials and the installation of all materials must comply with Minnesota State Building Code and the Manufacturer's Installation Specifications for each product.
- ❖ Applicant is responsible for calling Building Official for Inspections. Their number can be found on the Building Permit Application.
